Healthmark Industries Now Offers Single-Use Bulbs and Bladders

By Rob Kurtz | September 21, 2011

Tweet 3 Like Confirm 1

Healthmark Industries, which develops products for the sterilization, decontamination, storage and security of surgical instruments and other medical devices and accessories, has announced the company now offers single-use bulbs and bladders, according to a news release from [Healthmark Industries](#).

The products are latex-free, require no filter and can offer a cost-effective solution compared to the expense of the reprocessing time required for reusable devices, according to the release.

The single-use bulb and bladder are available sterile or non-sterile.
