Crazy4Clean.com Hosts 5 Interactive Educational Games for Healthcare Professionals

By Rob Kurtz | October 31, 2011

Tweet 4 Like Confirm 1

Healthmark Industries Co., which develops products for the sterilization, decontamination, storage and security of surgical instruments and other medical devices and accessories, has announced its website Crazy4Clean.com now hosts five educational, interactive games for healthcare professionals, according to a news release from Healthmark Industries.

The games address a number of topics including proper pouch packaging, the sonic cleaning process and reprocessing trays and scopes. Game participants can earn free CEUs.
