Use Floor Signs to Communicate with Staff and Visitors

Fraser, MI December 2, 2013 - Healthmark now offers floor signs made with durable strength and long lasting adhesive. These UV protected industrial laminate materials are high-impact floor signs will last up to 7 years without losing their top-layer traction or their color.

Floor signs have clear printing and high visibility. They are very easy to use, just peel and stick to the desired location. Floor signs are commonly used to inform staff and/or visitors of valuable information. They can also help direct foot traffic.

For more information about Healthmark's Floor Signs go to:
