Healthmark Introduces New Scope Holder

Fraser, MI, February 1, 2016 - Healthmark Industries has announced the addition of the Scope Holder to their GI product line. Crafted from Plexiglas®, the Scope Holder is a wall-mountable design manufactured for assistance in testing various scopes prior to medical procedures. The advantage of the vertical storage unit provides medical professionals with additional space, while keeping the scope in the proper upright position for thorough analysis before use.

About Healthmark Industries Co., Inc.
