Seth Hendea Joins Healthmark Industries

Fraser, MI, January 29th, 2019 - Healthmark Industries is proud to announce Seth Hendea as an Clinical Education Coordinator for Healthmark Industries where he provides clinical expertise on medical device processing, SPD education and standards interpretation.

Prior to joining Healthmark, he has had over 20 years' experience as an Central Services professional. Responsible for many Sterile Processing roles, Seth primarily focused on education for the last 8 years. He was responsible for providing continuing education to ensure the SPD staff remained certified and were conversant about the latest trends and requirements of a Sterile Processing area. He also had responsibility for competence verification and documentation activities within the department.

Seth is a Certified Registered Central Service Technician, a Certified Instrument Specialist, a Certified Endoscope Reprocessor, a Certified Healthcare Leader and an Approved Instructor through IAHCSSM. Seth is also a Certified Flexible Endoscope Reprocessor through the CBSPD. Seth participates in a number of AAMI Sterilization Standards Work Groups, including those responsible for ST79, ST91 and ST90.
