Healthmark Offers New Scope Sleeve to Endoscopy Product Line

Fraser, MI, August 29, 2019 - Healthmark Industries is delighted to introduce the Scope Sleeves to its Endoscopy product line. Manufactured of material comprised of 80% cellulose and 20% polypropylene, the single-use Scope Sleeves are designed to cover and protect insertion tubes after reprocessing, during transportation and storage. Open on both ends, the non-linting Scope Sleeves are made of an absorbent material that also provides a barrier to environmental contaminants. The Scope Sleeves are offered in three sizes: 85L x 5W cm, 115L x 5W cm and 190L x 5W cm. The Scope Sleeves are available for purchase in packs of one hundred.

Visit www.hmark.com or call 800-521-6224 for more information.
