## **Healthmark Introduces Two New Cleaning Brushes to its ProSys™ Instrument Care product line**

Fraser, MI, Sept 23, 2019 - Healthmark Industries is pleased to announce the addition of two new brushes to their ProSys™ Instrument Care product line.

Designed for cleaning instruments prior to further processing, these reusable brushes are manufactured with nylon bristles that adhere to a contoured plastic handle. These brushes are used in conjunction with a suitable cleaning solution that assist healthcare workers in the initial cleaning of items for which brushing to remove contamination is a recommended step in the cleaning process. The “3183-P” is available for purchase in a package of 10 and the “MR001903” is available in a package of 3.
