### **Healthmark Now Offers Battery Analyzers to Product Line**

Fraser, MI, February 28, 2020 -Healthmark Industries has introduced the Battery Analyzers to its ProSys™ Instrument Care product line. Designed to maximize uptime of medical equipment while minimizing battery fleet cost, the Battery Analyzers service lithium, nickel and lead acid batteries on the same device with a quick change of an adapter. Featuring Boost to awaken sleeping Li-ion batteries and custom programs to prepare Li-ion batteries for shipment, the Battery Analyzers assist the user in measuring battery capacity, spot checking spare battery capacity after daylong use and applying calibration to improve fuel gauge readings.

### **About Healthmark Industries Co., Inc.**

Since 1969, Healthmark Industries Company, Inc. has developed and marketed innovative solutions to aid healthcare facilities in their delivery of surgical instruments and other lifesaving medical devices to patients. Healthmark Industries mission is to continue to innovate, continue to support and continue to serve the healthcare provider industry and support services that make it possible to deliver quality healthcare.
