Healthmark Industries Now Offers the SeekNFind™ Tray Tag Tool

Fraser, MI, March 11, 2020 - Healthmark Industries has introduced the SeekNFind™ to its Labeling product line.

The SeekNFind™ provides a means to locate missing or mislaid trays and other assets. Made from PTFE Teflon, the 240 x 86mm RFID tag is assembled with stainless steel eyelets for attachment to instrument baskets and other assets. The RFID reader is paired with a Bluetooth® enabled Android phone. With the SeekNFind™ app, available for download from the Google Play store, tagged trays and other tagged assets can be more easily found, when missing.

About Healthmark Industries Co., Inc.

Since 1969, Healthmark Industries Company, Inc. has developed and marketed innovative solutions to aid healthcare facilities in their delivery of surgical instruments and other lifesaving medical devices to patients. Healthmark Industries mission is to continue to innovate, continue to support and continue to serve the healthcare provider industry and support services that make it possible to deliver quality healthcare.
