Healthmark Offers New Wellness Screens

Fraser, MI August 27th, 2020 - Healthmark is pleased to announce the Wellness Screens to its Personal Protection Equipment (PPE) product line.

These easy-to-build Wellness Screens provide a layer of protection and act as a physical barrier between individuals while allowing complete visibility, as well as pass-through access to the other side. Manufactured from clear acrylic, the chemically resistant Wellness Screens are equipped with acrylic feet that allow them to stand on their own and can be used in various locations throughout your facility. The Wellness Screens are offered in the following styles in two sizes. The Wellness Screens are available for individual Purchase.
